COMP90051 StatML Project 1 Group Agreement

Canvas group: _____Project 1 Group 99_____ Date:_____30/08/2020_____

GOALS: What are our team goals for this project? What do we want to accomplish? What skills do we want to develop or refine?
1. H1. 2. To get some fun from the competition. 3. Gain some knowledge of social connection prediction. 4. Brash my knowledge of data pre-processing. 5. Explore different learners and their properties.
EXPECTATIONS: What do we expect of one another in regard to attendance at meetings, participation, frequency of communication, the quality of work, etc.?
We expect all of us to contribute equally to this project, to be communicative, and are easy to reach. Each of us should dedicate on what we should achieve in this project.
POLICIES & PROCEDURES: What rules can we agree on to help us meet our goals and expectations?
1. Be active and online for most of the time before the due date. 2. Constantly follow up on project's current progress.
CONSEQUENCES: How will we address non-performance in regard to these goals, expectations, policies and procedures? (Such as/including recording in peer self-assessment at end of project)
We provide a peer's review at the end of this project as a supplementary document for illustrating each of our contributions.

We share these goals and expectations, and agree to these policies, procedures, and consequences.
